

# VIRTUAL CHIEF INFORMATION SECURITY OFFICER

## Get the fractional help you need to mature your security program

We provide fractional information security leadership helping your company manage and mature your security program within your timeline and budget.

### What We Assist With:

1. **Identify and Prioritize** your security program needs.
2. **Develop** a roadmap to accomplish those needs.
3. **Share and Collaborate** as one unified team.
4. **Track** action items, risks and tasks and measure progress.
5. **Centralize** reports that are easily shared with executives, board members, etc.

#### What You Get:

Security Leadership to help mature and strengthen your security posture through a solid partnership.

Let us strengthen  
your security  
posture!

Call 800-214-2107 or email  
[Contact@OnDefend.com](mailto:Contact@OnDefend.com)  
to get started.
